HSC 4-H Comes to Encore

We were honored to have the HSC Fair Queens and HSC 4-H clubs visit us during fair week. They visited with the residents and showed them pictures of their animals. The residents and the students had a great time visiting with each other. A big thanks to Rachel Bearden for bringing the students – we had a blast!

Sharon DeJarnatt devoted many years and much dedication to Encore Healthcare and Rehabilitation. She first began as the Social Director then went on to be the Administrative Assistant. Sharon helped each of us in so many ways. She will be missed by all of us at Encore. We wish you all the best in your retirement!

Big Fun with COTO Nursing Students

We can always count on the COTO Nursing students to help out or participate with any activity we have. They are always so willing to get in there and make the residents smile – at which they do a very good job! From blowing bubbles to participating in the “Chicken Dance” they always join right in. Thank you for your help, COTO nursing students!

Our mission is to enable our residents to live life to its fullest, regardless of age or health, with compassion, understanding, respect, dignity, and caring support.
